

FIVE PRAYERS FOR YOUR HUSBAND

1

CAREER

God, Thank you for providing him with a job. Let your favor be upon my husband today as he tries to accomplish the tasks ahead. Give him wisdom to discern what is most important and not what others think. I ask that You would establish the work of his hands and his career as he seeks to provide for our blended family. Whatever my husband does in at work and in interactions with others, may he let Your light shine and draw people to You. Amen.

2

PARENTING

Heavenly Father, thank you for my husband's relationship with our children (and/or step children). Thank You for choosing him as their father. Give him wisdom as he seeks to develop bonds with our children, and open our kids' hearts to be receptive to him. Show him what each child needs from him as a father so he can meet those needs. May he not provoke or aggravate them, but rather bring them up to love You and love others. Amen.

3

SPIRITUAL PROTECTION

God Almighty, I thank You for being a Mighty fortress. Thank You for being the Victor. I pray for Your protection over my husband. I pray that he would be fully clothed in the armor of God. Let him embrace the authority you give him over the enemy. Bind the enemy from my husband, and break any and all strongholds the enemy uses to ensnare him. Help him withstand temptation, standing firm in You. Empower him to live as the husband and father (and/or stepfather) that You created him to be. Amen.

4

SPIRITUAL GROWTH

Lord, thank You for pursuing my husband with Your great love and grace. I pray that he would be able to embrace the height and depth and width and length of Your love for Him, that He would experience Your love that is beyond understanding. Let him be deeply rooted in You and strengthened by You so that his faith is unwavering. Deepen his passion for You. May he love You with all of his heart, with all of his soul, and with all of his mind. Let his walk with You to spill out into our blended family. Amen.

5

HEALING

Lord, thank You for being Jehovah Rapha, the God who heals. I pray for the emotional wounds my husband carries. Bring wholeness to childhood trauma, and allow him to parent his children (and/or step children) from a place of wholeness. Where there is hurt from a previous marriage or relationship, give him the willingness to forgive and to let go of any bitterness he is harboring. Allow him to forgive himself for the mistakes and hurtful actions in his past. Reveal to him any triggers affecting our marriage, and give us the wisdom to work through them. Amen.
