

FIVE PRAYERS FOR YOUR WIFE

1

IDENTITY

Creator God, thank You for crafting and molding my wife with her distinct traits inside and out. I pray that she will embrace her identity as Your beloved child. Help her believe what You say about her, and help her rebuke the lies that the world tells her about her worth. Speak Your truth over her heart and mind. May she remember that You made her wonderfully and marvelously, and let her walk in humble confidence. Amen.

[Romans 8:14-15 and Psalm 139]

2

PARENTING

Heavenly Father, thank you for my wife's relationship with our children (and/or stepchildren). Thank You for the love and dedication she shows them and our blended family. Give her insight and energy as she seeks to teach our children (and/or stepchildren) about you in their daily lives. Open their hearts and minds to be receptive to her instruction and discipline. Give her the self-control to respond patiently in difficult moments. Amen.

[Deuteronomy 6:6-7 and Proverbs 31:26]

3

SPIRITUAL GROWTH

God, You are the Author and Finisher of faith, and You will finish the work You have begun in my wife. Thank You for Your presence in her life. I pray that nothing and no one would take priority over her relationship with You. May she love You with all her heart and with all her soul and with all her might. Help her to walk in step with the Holy Spirit and sense Your presence in her everyday life. Amen.

[Deuteronomy 6:5 and Philippians 1:6]

4

STRESSORS

Gentle Shepherd, You know the pressures my wife feels in the different roles she plays every day. You know all the responsibilities she juggles and the expectations she faces. Give her wisdom to discern what is most important and not worry about what others think. Release her from any unrealistic demands she makes of herself. Remind her of Your calling on her life and allow her to follow it faithfully. Amen.

[Luke 10:38-42 and Philippians 3:12-14]

5

PROTECTION

Lord of Hosts, You reign far above every dominion and power. Nothing can stand against You. I pray that You would guard and protect my wife against the enemy who wants to devour her. Help her to be alert and aware of his schemes. Let her stand firm in You. Remind her that she is more than a conqueror through You. Destroy any strongholds of the enemy, and allow her to walk in freedom and victory. Amen.

[1 Peter 5:8 and Romans 8:37]
